CVS caremark

Digital Tools

Looking to save time and money?

Use our digital tools to access prescription information, locate select participating pharmacies, and stay informed with benefit plan updates

When you register for an online account at **Caremark.com**, you can manage your medications from your desktop or mobile device - anytime, anywhere.

Here's how our digital tools can help you every day

Find a select participating pharmacy
Using a select in-network pharmacy that's covered under your prescription benefits plan may help you keep costs low. Use the *Pharmacy Locator* tool to find one that's convenient for you.

Check drug costs
Check and compare drug costs across participating, in-network pharmacies to find possible savings through our *Check Drug Cost* tool.

Stay connected for pharmacy benefit plan updates
Sign up for email or text alerts to easily get important updates, including status alerts on any changes to your covered medications.
